SKYWARN WEATHER SPOTTER TRAINING ANNOUNCEMENT

Site: Mason County Emergency Management

410 West Business Park Rd - Shelton

Date: Tuesday, October 25, 2005

Time: 6:00 – 8:30 PM

RSVP: Mason County Department of Emergency Management (360) 427-7535 E-mail: skvarnstrom@so.co.mason.wa.us

The National Weather Service will train new or veteran spotters, including interested citizens, amateur radio, CERT, citizen corps, and law enforcement, fire, transportation and public works staff, on how to look for and report significant event-driven weather events. Training includes video demonstrations. Spotters are needed, particularly in the rural parts of Mason County, as well as among those who have weather instrumentation, such as an anemometer.

If planning to attend this spotter training session, please RSVP so an appropriate number of handout materials can be on hand. Class capacity is 35, so sign up early. We look forward to seeing you at this or other Skywarn Spotter training sessions, and receiving your hazardous weather reports.

From Hwy 101 north of Shelton, go to the north entrance (Sanderson Way) into the Port of Shelton at the airport. Take the first immediate right on Business park Road and up the hill to the first building on the right. Parking and entrance is on the back side of the building.
